

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SB 614 – HB 1357**

March 9, 2009

**SUMMARY OF BILL:** Authorizes municipalities to take a special census at any time. Under current law, one statute authorizes two special censuses per decade and two statutes authorize three.

**ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**

**Increase Local Expenditures – Not Significant/Permissive**

Assumptions:

- According to the Department of Economic and Community Development, any increase in state expenditures for certifying a special census is estimated to be not significant.
- It is not anticipated that any local governments will conduct more than three special censuses per decade.
- If any local governments do conduct more than three special censuses, a shift in state-shared revenue could occur, because this revenue is distributed based on population. State expenditures will not be impacted because the total amount of state-shared revenue will remain unchanged.
